Hi legends,

We're pumped to announce that The Barnyard Band is officially booked for two of Queensland's biggest rodeos in 2026 so far and a bunch more in the works. We are so pumped to do Mt Isa Rodeo for the very first time, one of my life long dreams actually, and the Laura Rodeo for the 3rd time!! We must be doing something right!

We are bringing an all new, bigger and better show to both of these events and we can't wait because the Barnyard Band was created for Rodeo!

The Barnyard Band quotes cannot be compared to a normal band quote, we are selling a concert not a band in the corner with a couple of Par Cans and Wedge Speakers...

It's a Country Concert,  
but more affordable.

Give us a Stage, Pantech truck or a covered elevated area of some description, and we'll turn it into a full Country Rock main stage — not just edging out bands in our price range, but rivaling productions that cost 5k - 10k more.

With time-coded lighting, time coded rear-projection video, 12k Watt PA and a stage setup designed to feel like a real concert, we deliver one of the most complete all-in-one country band experiences in North Queensland.

## Katisha Adelaide

There's just nothing like a cracking fiddle player to finish off a country band.

The Barnyard Band is a full 5-piece — live drums, bass (when available), lead guitar, acoustic guitar, and fiddle.

Yep... we're a proper, true-blue Nashville style country band. Bookings now open for 2026 & 2027.
